

Memory Makers welcomes you to Washington, D.C., where we photograph thousands of students each year in front of the nations Capital. We would like to photograph your group at the Capitol, also.

Groups can purchase:

- Extra large 10" x 24" panoramic prints \$20.14 each
- 8" x 10" color prints \$16.96 each
- Each group must purchase a minimum of 10 photos

Please mail the payment for your group to the National 4- H Youth Conference Center. You may also elect to make your payment upon arriving at the Center.

Photographers take the panoramic photos at the Grant Memorial on the west side of the Capitol. Photos are taken by appointment to preclude any waiting: please make a reservation through the Campus Shop at the National 4-H Youth Conference Center. Memory Makers requires at least 1 week notice to arrange for a photo shoot.
