

Pillows for the Homeless

Description

This is a simple, inexpensive, lightweight and helpful item to make that teaches kids that we can all help someone in need in small but meaningful ways.

Supplies

Sewing Machine

Pair of
Scissors

Needle & Thread

Activity Steps

1. Cut the shopping bags up into pieces and crumple them into small balls for stuffing.
2. Sew 3 sides of the towel together and stuff with bags.
3. Hand sew the last side.
4. Contact a local shelter to donate your finished pillows, or carry some in your car with various other hygiene supplies and non-perishable food items to give to community members in need.
